couple in rest

--they're staying
long

long
long
aftr --50 yrs or so

he feels and thinks
she feels

yet knew she wd be vibrant in ans ques etc

by this itme waiter should come

or evne the mgr

but this wasn't to be the case and neither
of them wd initiate parting

muical instru --cello and violins and how pretty
their colors --cafe a lait -- after a while the finishes crack

paper decorations ah hah --since they'll change for xmas
and he couldn't rem which mo it was

excuse me by doyou know the mo? he wants to ask her
but she's abstracted too, piquant tent over drink,
empty glass and no one behind bar

they must clean the place!!

lots of stubble and armpit tho she's cool
he's jealous for she smiles -- vision of someone
she'd rather be with? He can't rem any woman.

no matter what logic as to time he knows this moment is
forever-
it was always somehting they couldn't do
